

# MORE SPACE FOR YOUR DOG!

Meet The Dog Crew and find out that some dogs need more space and may react badly while meeting strange people and dogs.

The Yellow Dog Project initiative is an international campaign aimed at dog owners (and more)!

**ASSISTANT** - a responsible working dog whose job is to look after and help his human. In order for him to do his job well, he must not be distracted.

**COWARD** - a characteristic sign of Cowardis a curled tail. He is fearful and contact with strange dogs or people makes him panic. It can be manifested in various ways. He is always close to his beloved human, who cheers him up.

A yellow ribbon or other piece of dog clothing in this colour tells you that your dog needs more space.

**LADY** - a real miss of dog shows, for which all dogs on the block are crazy. She is a very cheerful female dog going through heat. Lala's hormones are boiling now, which make she run comfortable with people and dogs.

**PATIENT** - is under going treatment and convalescence. Because of his sick paw, Patient cannot joy fully run and play with other dogs or people. Instead, he needs space and quiet to recover.

**PUPPY** - the youngest member of the Dog Crew who is still learning to interact with others. This can make him too pushy and clumsy. He has the last days of dog quarantine left then he will be able to start learning doggy life.

**SENIOR** - remembers the times when Tresta were rationed. Although his paws are slowly failing, he still walks briskly. The walks can not be too noisy or absorbing.

**ANGRY** - despite his sweet appearance, Angry does not always know how to behave and forgets about dog savoir-vivre. Because of his explosive character he will follow his man into the fire.

**SHY** - after a long stay in a shelter, he finally found his forever, loving home. He and his family are still learning about each other and Shy encouraged by his human, is bravely exploring the neighbourhood.

If you know that your pet needs more space, ensure the comfort and safety of not only your dog, but also other pets and passers-by.
